

Safety Data Sheet

In accordance with REACH Regulation EC No.1907/2006

Section 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Product name: Almond Shell Powder (Fine)
CAS number: 90320-37-9
EINECS number: 291-063-5
INCI name: Prunus Amygdalus Dulcis Shell Powder

1.2. Relevant identified uses of the substance or mixture and uses advised against

Product uses: Herbal/Cosmetic grade

1.3. Details of the supplier of the safety data sheet

Company name: Bath and Body Base Ltd
2A Laurel Way
Bishop Auckland
Co. Durham
DL14 7NF
Tel: 07493 064263
Email: technical@bathandbodybase.com

1.4. Emergency telephone number

Emergency tel: 07493 064263

Section 2: Hazards identification

2.1. Routes of entry

Eye contact: May cause mild irritation.
Skin contact: No hazard.
Ingestion: No available data.
Inhalation: May cause irritation.

Section 3: Composition/information on ingredients

| Composition | Concentration (%) |
|----------------------|-------------------|
| Almond shell powder | 100% |
| Hazardous components | None |

Section 4: First aid measures

Skin contact: Due to its use in cosmetics, no adverse effects are expected
Eye contact: Flush with plenty of water or eye wash solution for 15 minutes. Get medical attention if irritation persists.

Inhalation: Remove to fresh air. If continued respiratory irritation occurs or if breathing becomes difficult, seek medical attention.

Section 5: Fire-fighting measures

Extinguishing media: Water spray, foam, powder and carbon dioxide.
Special firefighting procedures: N/A
Unusual fire & explosion hazards: N/A

Section 6: Accidental release measures (steps for spills)

Precautions: Avoid inhalation and contact with eyes. Wear suitable protective gear.
Methods for cleaning up: Sweep up or flush with water and dispose of according to local regulations.

Section 7: Handling and storage

Handling requirements: Avoid dust formation. Provide appropriate ventilation where dust forms. In the event where there is insufficient ventilation wear suitable breathing equipment.
Storage (requirements for storage areas and containers): Keep container closed and protect from humidity.

Section 8: Exposure controls/personal protection

Respiratory protection: Use adequate ventilation or certified respiratory devices to avoid inhalation of dust.
Eye protection: Splash goggles or face shield may be worn.
Skin/body protection: Lab coats and gloves may be worn.
Work/hygiene: Maintain good manufacturing practices.
Other: Evaluate need based on application.

Section 9: Physical and chemical properties

State: Powder
Colour: Brown
Odour: Typical

Section 10: Stability and reactivity

Stability: Stable
Incompatibility (materials to avoid): None
Conditions to avoid: Avoid contamination of product.
Haz. decomp. or byproducts: N/A

Section 11: Toxicological information

Toxicity data: Nontoxic

Section 12: Ecological information

Persistence and degradability: Easily degradable

Section 13: Disposal considerations

Waste disposal methods: In accordance with local and national government regulations.

Section 14: Transport information

DOT classification: Not classified

IATA classification: Not classified

IMDG: Not classified

Section 15: Regulatory information

Regulatory information: No information

Section 16: Other information

Other information: * Indicates text in the SDS which has changed since the last revision.

Legal disclaimer: This information is provided for documentation purposes only.

This product is not considered hazardous.

The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product.

Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof.

Compliance with all appropriate local regulations remains the responsibility of the user.

This safety sheet cannot cover all possible situations which the user may experience during processing.

Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary.

All health and safety information contained in this document should be provided to your employees or customers.
